

It has been quite a busy summer.

We enjoyed seeing many of you at the **Jefferson County Fair**, and are very appreciative of the volunteers who took turns staffing the ECHHO booth to help with this important public outreach work.

Thanks too, to all who made our recent **Yard Sale** at Victoria House a most successful fundraiser. It was a LOT of work for those who helped with set-up, clean-up and/or selling of the abundance of generously donated items at the event. Of course it could not have happened without the hospitality of Victoria House (or the many customers who patronized the sale). We are very grateful to you ALL.

**In Memoriam**

**Carla Mooyman**, March 27, 1950- July 31, 2008. Carla was born in The Hague, Holland. At age 15 she immigrated, with her family to Palo Alto, CA where she finished high school and received her cosmetology license. She worked as a cosmetologist for 29 years, owning her own very successful business in Los Altos, CA.

Carla moved to Port Townsend in 2000 and became an active member of Unity Church. She loved art and painting and especially loved to paint animals and portraits. She was a member of the Kala Point Artist Guild and Port Ludlow Artists Guild. She

spoke of how incredibly blessed she felt to be able to paint outdoors in beautiful locations with her painting friends.

She loved animals and often took in friend's dogs while they were away. As a Project Linus volunteer, she crocheted over 100 blankets for children in need.

Carla received help from ECHHO volunteers during a period when she was unable to drive after surgery. She met daunting illnesses, surgeries and pain with grace and dignity. As soon as she was able to drive again she began volunteering for ECHHO in 2006. Carla was always cheerful despite the physical difficulties and discomforts she was going through for the last several years. She drove all kinds of people to appointments locally and out of county. She always found the care receivers interesting and treated all with compassion and tolerance even when their challenges were far less than her own; and their responses less admirable than hers. She even left an afternoon party early to come help paint our new offices in January of 07!

We will miss her and remember her with gratitude for all she gave, and fondness for being such a good and loving friend. Carla was one of the people who makes working with ECHHO so fulfilling.
