Puget Sound Energy Foundation Awards Grant to ECHHO

We are pleased to announce that ECHHO has been awarded a \$1,500 grant from the Puget Sound Energy Foundation. The grant is specifically designated for our Gas Mileage Reimbursement Fund. This funding will mean that ECHHO will now be in a much better position to reimburse volunteer drivers. It should alleviate the need to dip into the general fund after other resources such as the Olympic Area Agency on Aging have been fully utilized during the fiscal year. The ECHHO board, staff and volunteers are gratified that ECHHO's role in our community is supported by PSE in this most meaningful way.

DEAN HUTTON has joined ECHHO as its new Medical Equipment Associate. Dean was born and raised in Northern California. He has a Bachelor of Arts degree from San Francisco State. Dean discovered he had a love of firefighting and became a career firefighter and paramedic. After 30 years of service, he "semi-retired" in 2001. Dean is a single dad with a daughter in law school at Georgetown University in Washington, DC. A cook and avid reader, Dean also enjoys backpacking and fly fishing. We welcome Dean to the ECHHO team.
