

New Logo After much debate, ECHHO’s Board of Directors has chosen a new logo to represent the organization. You will be seeing a lot of the image on the left, which makes its debut in this newsletter, as we revise letterheads, forms, brochures, etc., but the original probably won’t disappear entirely until we use up existing materials.

Volunteer Appreciation Event All Volunteers are cordially invited to a Volunteer recognition celebration: **Friday, November 7, 2008 from 2:00-4:00pm**
First Presbyterian Church Fellowship Hall, 1111 Franklin St, Port Townsend
Refreshments will be served

Please **RSVP** to the ECHHO Office, **379-3246**. You may have already received an invitation in the mail, but due to a problem with our mailing label program we may be calling also to make sure that no one is left out. ECHHO’s Board and Staff look forward to this opportunity to personally thank you for all you do.

New Hours for Medical Equipment Loans
 Effective October 13, 2008, the hours for picking up and returning medical equipment are:
9:00am-1:00pm, Mon, Tues, Thurs & Fri; None on Wed
 This change is necessary to make maximum use of staff time when two people are in the office.

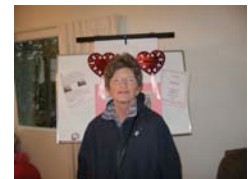

October Featured Volunteer They say, “If you need something done, ask a busy person.” That would

be **Vicki Young**. She grew up in Northern Arizona and has lived in Eastern Washington and all over California before moving to Jefferson County. Vicki has lifelong friendships and happy memories from all her homes and her careers of 25 years in teaching and 15 years as a physician assistant, both of which provided gratifying opportunities to change lives. She is an avid golfer, and enjoys other sports and outdoor activities including fishing, crabbing and kayaking. As a Coast

Guard Auxiliary member, Vicki does safety patrols, vessel inspections, teaches boating safety and assists in oil spill drills. Despite her busy schedule, Vicki always has a calm demeanor and great patience and compassion for the care-receivers she helps. We, and they are very lucky that Vicki finds time to say, “yes” to ECHHO.

In Memorium ECHHO has lost another of our precious volunteers, **Pat Williams**. Pat first joined ECHHO in 1998, and returned to help again when her long illness was in remission. She and her husband, Ralph (who was instrumental in establishing ECHHO’s medical equipment loan program), were honored with the “Heart of Jefferson” Award for their extensive volunteer service to many local organizations. She will be missed. Our deepest sympathy to Ralph and their family.

Board Position Open The ECHHO Board of Directors has an open position. They are seeking a person with energy and ideas to take a leadership role in fundraising. If you are, or know someone who might be interested, please call Director, Fran Roby at the ECHHO Office, 379-3246.
